

**DENG Yong**

**Gender:** Male

**Birth:** Born in 1966.

**Phone:** +86 28 85244814

**E-mail:** [dengy@clas.ac.cn](mailto:dengy@clas.ac.cn)

**Education**

- Master of Management, major in Library and Information Science, Sichuan University, 2006
- Bachelor of Science, major in Biophysics, Fudan University, 2001

**Professional Employment**

- Party secretary, Deputy Director, Professor ,Chengdu Library and Information Center, CAS, Noverber 2016 – present
- Deputy Director, Discipline Inspection Commission Secretary, Deputy Party Secretary , Professor ,Chengdu Library and Information Center, CAS, September 2013 – November 2016
- Associate Librarian, Professor, Chengdu National Science Library, CAS, June 2009 –September 2013
- Director, Department of Intelligence research, Professor,Chengdu National Science Library, CAS, July 2006-May 2009
- Visiting Professor ,University of Bath, UK, 2003
- Vice Director, Information Consulting Department and Director, Department of Intelligence Research, Vice Professor, Chengdu National Science Library, CAS, September 1998- June 2006
- Assistant Professor, Chengdu National Science Library, CAS, August 1988- September 1998

**Research Areas**

- Strategic Intelligence Research on Biological Resources and Biotechnology

Focusing on the combination of theory and practice, using modern information technology to collect, collate, screen and analyze the large number and variety of subject information, so as to provide targeted data, and to address idears, programs and recommendations for solving problems,as well as prodict the developping trends in the relevant areas bases on the existing information. The research is aimed at management decision-making, scientific research, and market economy and other fields, focusing on the ultimate goal of information services
